

## Directions to **The Gap State High School. 1020 Waterworks Rd, The Gap**

From the city, drive West along Waterworks Rd until just past The Gap Village Shopping Centre and the school entrance is on the left hand side (be careful as this is typically a high traffic area and the entrance can come up on you fairly quickly). From Northern Suburbs, Settlement Rd may provide easier access. Once you are on the school grounds, drive down the hill and around the back along near the school outdoor ovals there is some car parking near the main sports centre and along the school road near the car park. Walk up to the entrance from the car park (see page 2).
